datAshur Personal

www.istorage-uk.com

datAshur Personal is an extremely secure, easy to use and affordable USB Flash Drive that is a fantastic gift for anyone who stores data on a USB drive.

The datAshur Personal secures data you don't want others to see, from family photos to files of a more sensitive nature. It guarantees 100% protection of your data so you will never have to worry about your personal or company files falling into the wrong hands. This flash drive incorporates a rechargeable battery allowing you to enter a 7-15 digit PIN onto the on-board keypad before connecting the drive to a USB port. All data that is transferred to datAshur Personal is encrypted in real-time with the built in hardware encryption engine and is protected from unauthorised access even if the datAshur Personal USB is lost or stolen. datAshur Personal automatically locks when unplugged from the host computer or power to the USB port is turned on. datAshur Personal does not require any software or drivers to be installed and is compatible with Windows, Mac, Linux, Chrome, Android, Thin Clients and Embedded Systems.

This flash drive is a brilliant gift for anyone who uses a USB drive as they will know all their data is secure. The RRP for the 8GB is £29.00, for the 16GB is £39.00 and for the 32GB is £59.00. They are available from www.istorage-uk.com.
